March 19, 2020

To Our Viking Nation Families,

This is a challenging time for our country as we are working through situations we have never had to do before. We are currently waiting for guidance from both state and federal agencies in regards to education and what it might look like going forward.

At this time, this is what we know:

- We are continuing food distributions as planned.
- We are following ALL state and federal guidelines, including those from our local health department for hygiene and disinfecting of facilities and food preparation/distribution.
- Voicemails to the principals' offices are being monitored throughout the week.
- We are currently exploring options for flexible learning, and waiting for communication from Michigan Department of Education on next steps.

We recognize these are stressful times and information changes quickly, but we are doing our best to stay updated and pass that along to you when possible.

Please frequent our website [www.akronfairgrove.org](http://www.akronfairgrove.org) for up-to-date communication.

Viking Nation Strong!

Diane Foster, Superintendent
