November 9, 2020

Per the Tuscola County Health Department, the fourth and fifth grade classrooms will need to quarantine from school through November 19, returning November 20. Siblings and family members of those in these classrooms do not need to quarantine.

Fourth and fifth grade students will be able to continue working through their assignments via the Google Classroom platform as they did last Wednesday on Remote Day.

Chromebooks and meals for the next week may be picked-up tomorrow at the Jr/Sr HS entrance from 9:00am -10:00am. Additionally, another week's meals may also be picked up on November 17th at the same time.

These are difficult days to maneuver and your cooperation and understanding in all of this is very appreciated as we follow the directives given by the health department.

Respectfully,
Diane Foster, Superintendent
Akron-Fairgrove Schools
